

TakeAway Recycle System

CooperSurgical, Inc., in partnership with Sharps Medical Waste Services, is excited to offer the TakeAway Recycle System

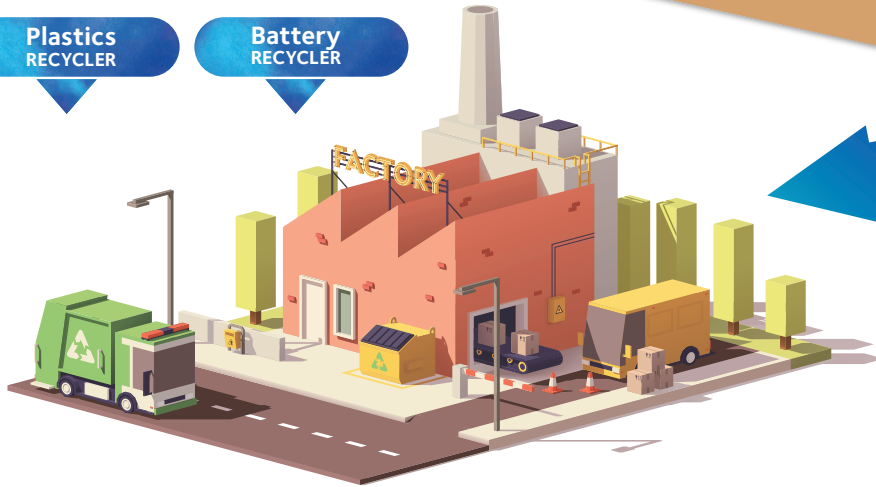

How to Recycle ONETRAC® Single-Use Retractors

Approved products include:

- ONETRAC® LX
- ONETRAC® LXS
- ONETRAC® LXD
- ONETRAC®

The **TakeAway Recycle System** is an environmentally friendly solution designed to recycle single-use medical devices (SUDs) that are normally destined for the landfill.

Benefits of Using the TakeAway Recycle System

- Compliant with state regulated medical waste guidelines.
- Easy battery recycling – no need to remove batteries first.
- Compliant with OSHA and DOT.
- Recycling certificates and biannual sustainability reports to promote your sustainability efforts.
